

**Attention St. John Berchmans' Community!  
Help us RAISE THE ROOF!**

St. John Berchmans School first opened at its current location in 1965 and closed in 1969. Over the last 27 years since our school re-opened in 1983, thousands of children have walked through our halls and crossed our circular drive to come to mass. Our church has flourished with school families who have made St. John Berchmans home. Our parish community has also benefited from the use of our school facilities.

The original roof is still on the school and is in dire need of repair. Please join me as we raise funds to replace the roof and ensure that our school is here for years to come.

You can help put a roof over our future by pledging at a sponsorship level or by pledging a square yard. Platinum sponsors can pay their \$10,000 pledge over three years. Gold sponsors can pay their \$5,000 pledge over two years. Silver sponsors, \$2,500 pledge, and Bronze sponsors, \$1,000 pledge, can make convenient monthly installments to be paid by July 31, 2012 or a onetime gift. You can also pledge a square yard for \$85 or any denomination.

Our goal is to raise 80% of the funds needed by April 2012 so that construction will take place summer 2012. I know with your help we can pull together and accomplish this goal!

Give, and it will be given unto you.
